

# SPECIFICATION DATA

## RaptorRail™ All-In-One Railing System

The RaptorRail™ is designed and built to keep your workers safe while enhancing their productivity. It can be installed quickly and easily, yet is adaptable to any situation. The RaptorRail™ crate and cart systems allow the components to be hoisted to the desired location in a single lift for accessibility at any location. The swiveling base allows finish to work to the edge without removing the safety of the system. The base post and the parapet clamps have rubber ads to protect the building façade.

---

### Key Features

- Quick attach/release rails
- Compatible with both steel RaptorRail™ & wood railing
- Fully adjustable railing for height and corners to meet the most demanding situations
- 3 bases in one - low edge, parapet clamp & slab-overhang clamp
- US Patent US8, 448, 923,B1

---

### Dimensions

Length 10"  
Width 7"  
Height 62"

### Weight

25 LBS each

### Standards

Meets and exceeds OSHA 1926.502(B)

### Warranty

Manufactures limited warranty covers any defects from 1 year of purchase date

<b>DIMENSIONS:</b>	
<b>LENGTH</b>	52"
<b>WIDTH</b>	7"
<b>HEIGHT</b>	7"
<b>WEIGHT</b>	13 lbs.
<b>COMPATIBILITY</b>	RaptorRail reusable horizontal steel rails Or wood rail adaptor Post
